If member intends to claim reimbursement for the cost of parcel post, it is necessary to obtain either DD Form 1299 or a statement from the T.O. which authorizes the shipment and which also includes the rate it would have cost the Government to provide the service.

### 3. Special Instructions

**1:** Shipments destined to members assigned to Ft Bliss, TX, but who plan to reside in Anthony, Canutillo, Chapparral, Las Cruces, Santa Teresa, or Sunland Park, NM, or who plan to apply for and accept housing at White Sands Missile Range, NM, should be consigned to TO, White Sands Missile Range, NM, record 32-5. DO NOT consign to TO Ft Bliss, TX.

**2:** Waiting time for Government quarters, depending upon space requirements, averages 6 to 8 months. Suggest service members with NTS entitlements utilize same. Also, suggest TOs counsel members on partial withdrawals/delivery procedures to ensure property is identified and segregated prior to shipment being entered into destination SIT.

**3:** Correspondence pertaining to personal property shipments in/outbound or NTS should use official symbol ATZC-ISL-TA. Correspondence pertaining to quality control/assurance, i.e., TQAP, DD Forms 1840/1780/LOI's should use office symbol ATZC-ISL-TC.

**4:** Students assigned to the USA Sergeants-Major Academy and other courses offered at Ft Bliss should be advised that student quarters may not accommodate their full weight allowance. Under the provisions of JFTR U5345-E and U5380, recommend arrangements for nontemporary storage be made at origin for personal property shipments in excess of 11,000 pounds for three or four-bedroom quarters and 9000 pounds for two-bedroom quarters (weights will vary dependent upon quarters style). Overseas personal property shipping offices should ensure members are counseled on the entitlement for nontemporary storage at the port of debarkation for those items not required at the course location.

### 3. Special Instructions

**Saint Paul Island and Port Clarence, Nome** : Saint Paul Island/Lorsta, Point Clarence, Nome All COAST GUARD shipments for Saint Paul Island and Port Clearance, Nome are the responsibility of the Integrated Support Command on Kodiak Island (GBLOC: MAPS). Saint Paul Island and Port Clarence, Nome shipments MUST be consigned to ISC Kodiak, AK (MAPS) using code 7 or 8 for baggage and code 2 for Household goods ONLY. These are weight restricted areas. See AOR listing in Alaska

**One Time Only (OTO) Areas -- SEE ZONE 11** : All cities/towns/villages listed in Zone 11 need to be routed and booked as One Time Only (OTO) shipments. Please e-mail or call JPPSO-ANC for question regarding shipment routing in Alaska. 1-877-216-1671. [jppso-anc@us.af.mil](mailto:jppso-anc@us.af.mil)

**Shipments to Alaska from CONUS**: For shipments from CONUS: Alaska is considered Domestic for HHGs and International for Baggage. Code D or 2 are both acceptable for HHGs shipment. Code 7 or 8 are the preferred method for UB shipments vs DPM. Counselors should advise members to consider utilizing/arranging partial release/delivery of baggage items from their HHGs rather than making a separate UB shipment. All shipments to destinations in ZONE 11 must be routed as OTO. If additional assistance or advise on consignment instructions are needed contact JPPSO-Anchorage by telephone (907) 552-2209/6605 or email; [JPPSO-ANC@US.AF.MIL](mailto:JPPSO-ANC@US.AF.MIL)

**POV - Coast Guard**: Shipment of POV is prohibited to Nome and Dutch Harbor, Alaska for Coast Guard service members.

**Non-Temporary Storage - Alaska**: Recommend maximum use of non-temporary storage at origin for items that will not fit or are furnished in privatized housing units (i.e. washer/dryer, etc.)

**Weight Restrictions to Alaska**: Unaccompanied Air Force members E1-E4 and residing in government quarters are weight restricted to 500 lbs by air or 700 lbs by surface. Refer to JTR and AFI 24-501 when counseling advising members on weight entitlements.

**Fort Greely, Alaska**: Shipment for Greely/Fort Greely should be consigned to JPPSO-NW (JEAT)

**MAIL-IN Paperwork**: Email all 'mail-in' shipment requests for MBFL to [outbound.jppso@us.af.mil](mailto:outbound.jppso@us.af.mil) - Shipments in DPS or TOPS will not be booked prior to receiving Orders, 1299, and other pertinent documentation.

**CORDOVA ALASKA- ZIP 99574** : Shipments to CORDOVA Alaska are the responsibility of PSSU KETCHIKAN Alaska (MAPK) and MUST be routed as One-Time-Only

**Fort Wainwright/Eielson AFB/Fairbanks AK - -SHARED AOR**: JPPSO-NW (JEAT) is responsible for all Services OTHER than Air Force members destined to/from the Fairbanks/Fort Wainwright/Fort Greely areas. AIR FORCE shipments destined to or picked up from Fairbanks/Eielson AFB/Clear AFB/North Pole etc., are the responsibility of JPPSO-ANC (MBFL)

**DPM Shipments from CONUS**: For DPM shipments originating in CONUS DO NOT tranship to AMC ports such as (SUU) Travis AFB, CA. Use freight companies that PROVIDE STRAIGHT THROUGH SERVICE to Alaska. Consign DPM shipments to Contractor listed in the notes for that particular zone.

**DPM from OCONUS Locations through AMC**: DPM from OCONUS locations through AMC should only be shipped to Cities listed in Zones 1-3. (Anchorage and surrounding areas) There is no AMC Channel to Eielson AFB, Clear AS, or the Fairbanks Area (Zones 4-5). Please call or email JPPSO-Anchorage for instructions if your only method of routing is DPM. [jppso-anc@us.af.mil](mailto:jppso-anc@us.af.mil)

**Travel, Personally Procured Moves, and Firearms through CANADA**: Counselors should advise members that are conducting PPMs and/or traveling through Canada of the strict Canadian Firearm Laws. Failure to declare firearms may lead to arrest and/or fines by the Canadian Government. Members should refer to the Royal Canadian Mounted Police website <http://www.rcmp-grc.gc.ca/cfp-pcaf/fs-fd/visit-visite-eng.htm> , or a call to the Canada Firearms Center at 1-800-731-4000; request Extension #9026 if entering Canada at the Alberta border and Extension #9530 if entering from British Columbia. Addition information on transporting personal effects through Canada can be found on the U.S. Customs and Border Protection website [https://help.cbp.gov/app/answers/detail/a\\_id/737/-/u.s.-residents-or-citizens-moving-or-transporting-personal-belongings-through](https://help.cbp.gov/app/answers/detail/a_id/737/-/u.s.-residents-or-citizens-moving-or-transporting-personal-belongings-through) and the US Department of State website <http://www.travel.state.gov/content/passports/en/country/canada.html>

**Shipments to Alaska from OCONUS Locations**: The preferred method for shipments from OCONUS locations to Alaska is Code 4 (HHGS) or Code 8 (UB). If DPM must be used, see notes on restricted Zones/Cities under "DPM from OCONUS Locations"

### 3. Special Instructions

**JPPSOMA:** The JPPSOMA now has the capability to receive all documents electronically. All origin transportation offices can send advance documents, including SF 1200 to the Inbound Division email [ibdelivery.delivery@conus.army.mil](mailto:ibdelivery.delivery@conus.army.mil). Other inquiries will be sent to the each respective responsible offices (SEE EMAILS above).

**June Thru September:** June through September deliveries from storage in transit (SIT) are very difficult to arrange in a timely manner due to agent saturation and heavy peak workload. Deliveries can take 15 to 20 days notice to the agent. For direct deliveries advise the member to contact this office to furnish contact information.

**City:** Independent city of Richmond, VA, is geographically located in Henrico County and not in Richmond County. The responsible PPSO for the city of Richmond is Ft Lee, VA.

**EOD Schools:** Personnel assigned to the EOD School at Indian Head, MD, and plan to reside in Government quarters should place their household goods in nontemporary storage at origin. These quarters are fully furnished. The only items that should be shipped are TV, stereos, VCRs, linens, dishes, pots and pans, etc.

**NNMC, Bethesda, MD:** Single personnel assigned PCS to schools at NNMC, Bethesda, MD, are encouraged to contact the school prior to shipping household goods. There may be a requirement for single enlisted personnel to reside in the barracks. Large items of furniture cannot be utilized in the barracks and should be stored at origin.

**Misconsignments:** To avoid misconsignments, shipments going to Langley, VA w/county "Arlington" must be consigned to JPPSO-Mid Atlantic(JPPSOMA), Fort Belvoir, VA 22060-5580, telephone number (800) 762-7186, GBLOC: BGAC. All shipments going to Langley Air Force Base, Hampton, VA (IC) and not within the county "Arlington" must be consigned to CPPSO Langley AFB, PPCIG (Int'l), Record # 47-4.

**AOR:** All customers with shipments arriving in the JPPSO-MA Area of Responsibility (AOR) must provide the counselor at origin, during their counseling or prior to their departure, a valid email address and destination or in-transit telephone number (AKO or personal email account) where they can be reached at. The JPPSO-MA's Joint Overlay to TOPS (JOLT), an electronic data system will automatically send a "Welcome Letter" (if email address is valid) to the customer and will advise on procedures to contact JPPSOMA for shipment status.

**Counseling:** Counselors at origin must provide customers with INBOUND shipments to JPPSOMA the address of our website: <https://www.belvoir.army.mil/jppsoma>. The website provides customers information on what they must do upon their arrival at destination by selecting option "INBOUND" to accomplish actions or gain information. This is very critical to our being able to arrange the delivery of their shipments as early as possible. Even if a customer has not yet found a residence or been assigned to designated Government housing, it is important that they contact us and provide our office new contact e-mail and telephone numbers. In order to expedite the process rather than customers calling into our IVR Telephone Queue, it's easier for the customer to send us their information via e-mail. Use the website to contact JPPSOMA.

**PPPOs:** Personal Property Processing Offices (PPPOs) that belong to the JPPSO Mid-Atlantic: PPPO Fort Meade, MD. PPPOs that DO NOT belong to the JPPSO Mid-Atlantic, but JPPSOMA serves as their Shipping Office, to perform the shipping functions: PPPO OAA/LSW, Fort Belvoir, VA (formerly located in Crystal City); PPPO for Joint Base Anacostia/Bolling (Washington, DC); PPPO for USN, Sugar Grove, WV; PPPO Andrews AFB, MD; PPPO USCG, Baltimore, MD; PPPO USCG HQ, Washington, DC; PPPO USMC, Quantico, VA; PPPO for Joint Base FT Myer-Henderson Hall in VA; PPPO Logistics Readiness Center,; PPPO Bethesda Naval Base, Bethesda MD.

**Consolidation effective 15 May 2012:** Effective 15-MAY-2012 JPPSOMA-FORT BELVOIR, VA will assume responsibility of Aberdeen Proving Ground, MD(BAAV) and Fort Detrick, MD (BBAV) all shipments with a Pickup Date, RDD, Release from NTS of 15-MAY-2012 or later will be consigned to JPPSOMA Fort Belvoir, VA (BGAC)

**MOBILE HOMES:** Mobile Homes destined for Camp David, Foxville Plaza, Sabillasville, MD, located in a national park, sometimes have been inaccessible for delivery due to the length of the trailer. In some cases the homes have to be winched into place because of the trees located in the park. It is advisable that the origin PPSO contact the destination PPSO prior to delivery so they can be aware of the situation.

**Consolidation effective 01 April 2013:** JPPSO-MID ATLANTIC, FORT BELVOIR, VA (BGAC) will assume responsibility of FORT LEE, VA (BHAQ)all shipments with a Pickup Date, RDD, Release from NTS of 01-APR-2013 or later will be consigned to BGAC,JPPSO-MID ATLANTIC, FORT BELVOIR,VA

**3. Special Instructions**

**Students assigned to Naval Station Newport RI(2):** Students contemplating Government/Private quarters (Newport has privatized housing) are advised units are small and may require storage of excess property. Naval War College and Surface Warfare Officers School students should review floor plans contained in housing information bulletin and ship only those household goods that can be accommodated in the units. Recommend TOs counsel members to utilize non-temporary storage at origin under the entitlements outlined in JTR 5286 COURSE(S) OF INSTRUCTION OF 20 OR MORE WEEKS AT ONE LOCATION A. Member is On/Ordered to Active Duty to Attend a Course(s) of Instruction (Including Foreign Service Schools) at a School/Installation (at which the Scheduled Cumulative Duration at One Location is 20 or More Weeks) 1. HHG Transportation. HHG transportation may be authorized from the last or any previous PDS or place of storage or from the HOR or PLEAD to the place at which the course is conducted; and/or 2. NTS a. Upon Service-concerned approval, NTS at origin may be converted to SIT at the member's request, in whole or in part if the member is authorized, under an order, to transportation or NTS. b. NTS conversion is at Gov't expense. c. Any storage costs accruing for periods in excess of 180 days are the member's responsibility. d. Unless otherwise provided in par. 5244, no additional HHG storage is authorized before further PCS order is issued. Rental apartments in the Newport area are usually small, and/or semi-furnished, and expensive. Recommend NTS at origin using above JFTR references. Remind members that only 90 days of storage in transit will be authorized with an additional 90 days approved for unusual circumstances. Partial deliveries are authorized to a temporary residence. There are several private mini-storage facilities in the area.

**AMC DOVER AFB DELAWARE:** Shipments of personal property inbound to Dover AFB destined for AMC airlift overseas should be consigned to FY9125, Air Freight Terminal, Dover AFB DE 19902 and marked "FOR EXPORT". Mail advance documentation for export shipments to 436 APS, ATTN: TRTCI, 550 Atlantic St., Dover AFB DE 19902-5505. IMPORTANT: Please check current AMC Sequence Listing for locations serviced by Dover AFB before forwarding any personal property shipments for export.

**TRACING SHIPMENTS WITH AMC DOVER AFB DE:** For tracing purposes, the following office symbols apply: (1) Shipments originating/terminating in Dover AFB Area of Responsibility trace with 436 APS/TRTP - Chief, Personal Property Branch at DSN 455-4378 or COMM (302) 677-4378 (2) Shipments for import/export/transshipment through the AMC system trace with TRXL - Customer Service Branch at DSN 455-4264/5/6/7. (3) TGBL shipments should be traced first with the responsible carrier. (4) Ensure all pertinent information is included in request i.e., PPGBL number, TCN, Origin, Final destination, pickup date, and RDD.

**AMC Charleston AFB SC:** Personal property for transshipment through Charleston to overseas points via the AMC system should be consigned to: 437APS, Air Freight Terminal, Bldg 178 Charleston AFB, SC 29404 at DSN673-3229 or 843-963-3229, "Marked for Export". Mail advance documentation on export shipments to 437 APS/TRTDC, 103 N. Graves Ave, Bldg 178, Charleston AFB, SC 29404-4718.

**Tracing Shipments with AMC Charleston AFB SC:** Tracer action through intransit personal property office is limited to DPM shipments transiting Charleston AFB from overseas to CONUS. Trace ITGBL Code J and Code T shipments with the ITGBL carrier.

**Coast Guard Yorktown Training Center Students:** Coast Guard Yorktown Training Center students reside in shared barracks and can not accept shipments. Place household goods in NTS at origin pending conclusion of courses. Students who ship to CG Yorktown and can not accept delivery due to residing in shared barracks are subject to SIT charges being converted to owner's expense.

**ISLANDS OF MARTHA'S VINEYARD AND NANTUCKET:** Please be advised that pickups and deliveries to these islands require reservations for the ferry service. Direct deliveries can be difficult. Ferry reservations during the months of May, June, July, August and into September can take three to four weeks, may be restricted to weekends, and the times may not accommodate the normal business hours of 8am to 5pm. Deliveries out of storage in transit are also affected by these reservation restrictions. Ferry service is also dictated by weather conditions and service may be cancelled if the conditions warrant.

a. Direct Procurement Method (DPM) Household Goods (HHG) and Baggage:

JPPSO-NW has no formal inbound/outbound DPM contracts in Zones 03, 04, 07, 08, 09, 10, 11, 12, 13 and 14. Consign shipments to the warehouse as shown for all areas with DPM contracts.
